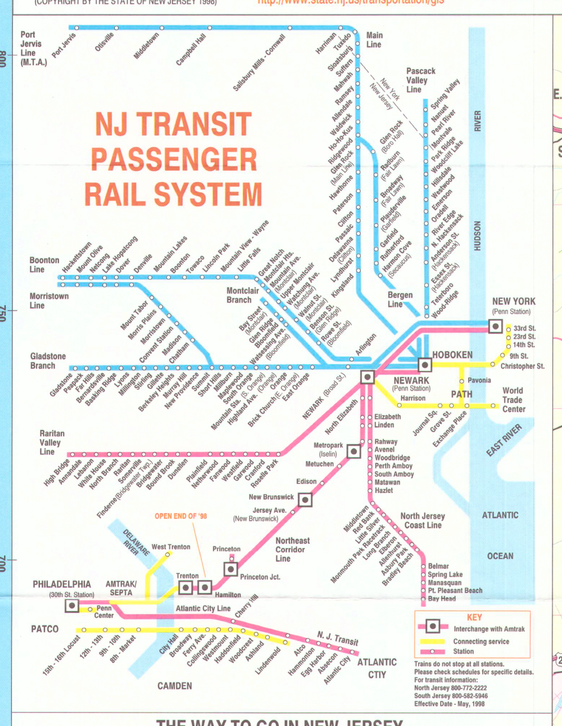
NJ TRANSIT PASSENGER RAIL SYSTEM



THE WAY TO GO IN NEW JERSEY

NJ TRANSIT, New Jersey's public transit agency, provides bus and rail services to and from major points in New Jersey, New York and Philadelphia. Used by 273,000 passengers daily, NJ TRANSIT buses and trains travel 1.6 billion passenger miles annually in northern, central and southern New Jersey. It is the nation's only statewide transit system.

Bus and rail tickets can be purchased at stations/terminals during regular business hours, at automated E-Z Tik machines or by mail. In addition to single trip purchases, NJ TRANSIT offers several convenient, money-saving travel alternatives. Weekly and multiple-trip tickets as well as monthly passes are available for both bus and rail services.

Reduced fares are available to individuals 62 years of age and over and to the disabled on weekdays between 9:30 a.m. and 4:00 p.m. and from 7:00 p.m. to 6:00 a.m., and all day Saturday, Sunday and on state holidays. Reduced fares require riders to present a valid Medicare card or Reduced Fare ID upon boarding. To obtain an application, write: Reduced Fare Program, NJ TRANSIT, 180 Boyden Avenue, Maplewood, N.J. 07040 or call (201) 378-6327. See specific schedules for availability of service for people with disabilities throughout the system.

Weekend and holiday family supersaver fares are also available on weekends and holidays for up to two children (under 11 years) traveling with an adult paying full fare. Children, under five, travel free. NJ TRANSIT also offers a variety of special excursions to Broadway, the Jersey shore and other regional attractions.

For information about NJ TRANSIT, its services, schedules and fare programs, call NJ TRANSIT Information Centers:
